Dear David,

On behalf of the member states of the Interstate Oil and Gas Compact Commission (IOGCC) and the attendees of our 2021 Annual Conference in Santa Fe, I thank you for speaking during the general session. Your participation ensured the conference provided timely and useful information for the attendees.

We sincerely appreciate you for making the effort to join us and for sharing your insights. Attached are a few photos from the conference we thought you might like to have.

Shortly after the conference we heard the news of your upcoming retirement. Please accept our heartfelt thanks for your many years of public service and for your steadfast determination to maintain a strong working relationship with your state partners. We wish you all the best in your future endeavors.

With gratitude,
Lori
